

2012 International Symposium on Performance Evaluation of Computer and Telecommunication Systems

July 8-11, 2012 – Genoa, Italy

WORK-IN-PROGRESS SESSION - DEADLINE: March 22

Sponsor: The Society for Modeling and Simulation International
www.scs.org

Technical Co -Sponsor: IEEE Communications Society
www.comsoc.org

Technical Co -Sponsor: IEEE SMC Society
www.ieeesmc.org

The SPECTS'12 WiP session will be devoted to the presentation of new and on-going research into Performance Evaluation of Computer and Telecommunication Systems. We are especially interested in new and creative ideas and approaches. The primary purpose of this session is to provide researchers with an opportunity to discuss their evolving ideas and gather feedback from professionals involved in performance evaluation of computer and telecommunication systems.

Papers must be written in English and must not exceed 6 pages. Authors should submit papers through <http://www.softconf.com/scs/SPECTS12/>. Every paper will be peer-reviewed. Accepted submissions will be included in the SPECTS'12 proceedings.

KEY DATES:

Submission of Work-In-Progress papers: March 22, 2012

Notification of Acceptance: Delayed until April 28, 2012

Camera-Ready Paper Submission: Extended until May 30, 2012

Further information: <http://atc.udg.edu/SPECTS2012/>

Organizing Committee:

Honorary Chair:

Mohammad S. Obaidat, Monmouth Univ., NJ, USA

General Chair:

Jose L. Sevillano, Univ. of Seville, Spain

Program Chairs:

Raffaele Bolla, Univ. of Genoa, Italy

Pere Vilà, Univ. of Girona, Spain

Isaac Woungang, Ryerson Univ., Canada
